

Huish Woods 60th

Badge Design Competition

Please use the template below to design your badge. Remember that the actual badge will be smaller when it is embroidered or woven, so don't make the detail too fine.

Don't forget these requirements to include in the design:

- The title: **Huish Woods 60th**
- The date: **1961-2021**

A large, empty rectangular box with a thick black border, intended for the design of the badge.
